lynval golding (the specials)

thursday 19th november

6pm - no tickets required - just turn up....

renowned rhythm guitarist & vocalist lynval golding pops in to resident for a signing session ahead of his brighton gig with recently reformed british 2 tone legends the specials.

over the years lynval has been a very active & influential force within british music, from combining danceable ska & rocksteady beat with punk's energy & attitude with the specials, the brighter new-wave pop of fun boy three, through to his more recent work with reggae 8-piece band pama international.
