erland & the carnival (acoustic set)

tuesday 26th january
6pm

to celebrate the release of their highly anticipated debut album, the hotly tipped orkeny island residents will be joining us for a very special acoustic set.

erland is erland cooper, an orcadian guitarist. the carnival are guitarist simon tong (the verve, the good, the bad, the queen) plus drummer davidnock. together, they make a pastoral, psychedelic sound described by tong as "pentangle meets ennio morricone meets love meets 13th floor elevators meets joe meek". now signed to full time hobby, this lot look set for big things in 2010.
